Transition Policies and Procedures**

School District \_\_\_\_\_ Plan for year: 20\_\_ - 20\_\_

Contact person: \_\_\_\_\_ Date contacted: \_\_\_\_\_

**Head Start Performance Standard Objective:** 1304.40(h) *Parent involvement in transition activities.* (2) Staff must work to prepare parents to become their children's advocate through transition periods by providing that, at a minimum, a staff-parent meeting is held toward the end of the child's participation in the program to enable parents to understand the child's progress while enrolled in...Head Start. (3) To promote the continued involvement of Head Start parents in the education and development of their children upon transition to school, grantee and delegate agencies must: (i) Provide education and training to parents to prepare them to exercise their rights and responsibilities concerning the education of their children in the school setting. (ii) Assist parents to communicate with teachers and other school personnel so that parents can participate in decisions related to their children's education.

**Policies**

Staff from both Head Start and public school will provide education and training to parents to

1. Prepare them to exercise their rights and responsibilities concerning the education of their children in the school setting.
2. Encourage parents to communicate with teachers and other school personnel so that parents can participate in decisions related to their child's education.

**Procedures**

Instructions: Check the following procedures on which you and your contact person agree.

**HEAD START WILL:**

\_\_\_\_\_ Encourage Head Start parents to attend informational meetings at the school.
